

Surviving a Ramp Check & HomeLand Security Searches

General Aviation airplanes have been met by law enforcement officers asking to search their airplanes. Many times the pilots have no idea why they were asked to be searched. Find out the differences between FAA ramp checks & HomeLand Security searches, and what you must do if asked to be searched.

Directions: PCC is located on West side of Airport, Park Ave south from Valencia all the way to the end. Park in front and come straight in. Fly-In's park at Pima Community College training facility ramp area.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
